**(No Match on Sunday July 4)**

Urban Action is fast paced action shooting using 1, 2 or 3 firearms. You will be able to shoot a variety of reactive targets in a scenario called a “stage”, and most matches have 5 to 6 stages. Participants will have an opportunity to shoot from behind cover, reload “on the clock”, and move while engaging targets of variable difficulty. Those shooting the 1-gun event will need a double action revolver with at least 5 speed loaders or a semi-auto pistol with at least 4 magazines. The 2-gun event adds and a pump or semi-auto shotgun shooting #7 ½ lead shot or smaller. For the 3-gun class a semi-auto or lever action pistol caliber carbine or rifle is also needed. Rimfire .22 pistols and rifles are welcome.

**Pistol and carbine ammo requirements: hard cast lead or low velocity factory ball. No high velocity, semi-jacketed, hollow point, +P ammunition or magnum calibers.**

**Ammunition needed for a typical match is 150 to 175 pistol rounds, 50 to 60 rifle/carbine rounds, and 25 to 30 shotgun rounds. (Extra ammo is recommended)**

**Eye protection with side shields and Ear protection is mandatory for all spectators and participants on the field**

**Introductory seminars and practices are available the day before the shoot**

**This seminar is mandatory for new shooters**
