

CCKC Board Meeting minutes  
November 13, 2017

CALL TO ORDER:

The meeting was called to order by President Stan Raciak at 7:00 pm at the main clubhouse.

ROLL CALL

In attendance were Stan Raciak, Paul Coleman, Karen Hartmann, George Broecker, Denny Hartmann, Tom Jacobs, Bob Von Cloedt, Jerry Lis, Alex Modic, Dan Christansen, Pete Monaghan, Mark Delcase, Andy Hiller, Al Seyler and Scott Jackson. Sue D'Aloia was excused.

MINUTES:

Karen Hartmann: The minutes for the October meeting were presented and approved.

TREASURER:

Sue D'Aloia: Sue was excused

RIFLE PISTOL:

Jerry Lis: Business has picked up. It's been pretty busy despite the cold and rain.

AIR GUN RANGE:

Alex Modic: Air gun has been moved indoors. The winter league starts in December.

ARCHERY

Dave Darbro: The 5 spot league has ended with some surprising results. The winter league starts on January 9<sup>th</sup>. Glenbrook HS has about 50 shooters and has expressed an interest in shooting at our range. Dave will pursue this further.

SHOTGUN

Bob Von Cloedt Business has been a little slow. The weather for last 4 weekends has been totally uncooperative. The 5 stand is up and doing well. Two Saturdays ago, everyone at the range was shooting at the 5 stand and no one was shooting trap. We have passed the purchase amount of 5000 cases of birds, so the amount has generated a rebate on our purchases and also we were able to sell back 68 wooden pallets for a refund as well.

Trap #2 is down. It will be closed for a couple of weeks, waiting for parts.

The fall league ends tomorrow. There will be no winter league this year due to lack of participation..

Bob Von Cloedt had a major run in with a member recently. This member had an argument with another shooter at the trap range. When Bob interceded the member argued with Bob. This member has a derogatory history with the club. He also poses a safety issue by using poor equipment and badly loaded shells. The board will monitor this situation and will consider Bob's recommendations on how to deal with this member in the future.

#### BLACK POWDER:

Dan Christiansen: Things have been going pretty good. We found a steel target with a hole clear through it. Dan will be watching for rule breakers. Also, the combination to the gate will be changed at the end of the season.

#### COWBOY:

George Broecker: Our cowboy shoot last weekend was canceled due to the weather. It was the last match of the season. We are officially closed for the season.

#### OLD BUSINESS:

Paul Coleman: On Oct 14<sup>th</sup>, a hunter education class was held at CCKC. We had 30 students and parents. We would like to thank our volunteer instructors Ralph Bonn, Claude Brumm, Rick Bose, Bill Matthei, Julie Schurr and Kevin Spring for helping out.

We had 38 boy scouts shooting at the shotgun range on November 12<sup>th</sup>. They did not have a certified instructor with them. We will have 2 troops this Saturday at both the shotgun and rifle ranges and one troop on Sunday at the rifle range. It is recommended that they come earlier in the season. September or early October would be a better option.

The local 4H club sold donuts at the rifle range on November 11<sup>th</sup>. They have expressed an interest in developing a shooting sports program. Paul Coleman has volunteered CCKC to participate.

The land acquisition has been completed. New land rental agreements with the farmers will be negotiated.

Sue D'Aloia has been in contact with the company that handles our credit card transactions and is working to coordinate them with our new membership website.

The Tuesday maintenance crew recently did some updating to the new 22 range. They added more lumber to the baffles and tightened things up.

Our IT advisor, Mark Delcase recommended a new tower and software for the club's office. He also revamped the laptop Ellyn returned and updated it.

New updated contracts for the law enforcement rentals will be negotiated for 2018.

Dave Darbro cleaned out the vault. We need to dispose of some ammo and 5 rifles belonging to the club. We could possibly sell all this at the gun show. We need to move the gun safe up from downstairs.

#### NEW BUSINESS:

Rick Bose: We contacted Wayne's landscaping, regarding work needed at the shotgun range.. We need gravel installed in front of the traphouses. We received an estimate of \$2710. That includes grading away from the traps and they will install a turnaround at the west end of the range. Wayne will deduct the \$1300 he owes the club for the damage to the new gate at shotgun caused by the snowplow last winter. (Al Tesch will have the exact figure). The Board would like the contract be a bit more detailed and explain charges. Also, are materials included

in this figure?

The wall removal at shotgun was canceled last weekend due to the weather.

On October 13<sup>th</sup> at 10:00 am, Rick Becker was observed shooting alone at the Black Powder range. He was asked to leave by George Broecker. His RO card for the rifle pistol range was pulled by Jerry Lis. Rick was in attendance at the meeting. He admits he knowingly broke the rules and has done so previously. Stan Raciak recommended that the board suspend his RO card for 6 months, If there are any other problems in that time, his membership may be revoked. His RO shooting privileges are suspended. He may only shoot at Black Powder during normal business hours on Saturday and Sunday. The Board agreed.

There was a motion to adjourn made by Denny Hartmann. 2<sup>nd</sup> by Jerry Lis. The motion carried. The meeting was adjourned at 8:10 pm.

Respectfully submitted by Karen Hartmann, Secretary
