TREASURER:

There were no questions or issues. About the same as last month. Our tax return is in progress for fiscal year ending June 30, 2016. Showing a substantial increase from last year. Labor costs are up at the shotgun range but the cost of the birds is down. This may help explain the change.

RIFLE PISTOL:

Stan Raciak- Business has been slow the past 2 weekends. This past Sunday was good.

AIR GUN RANGE:

Alex Modic –Everything going good. Alex Modic is back from Michigan. He took six shooters and he served as manager. They came back national champs. They won the four member team and world class. They took fourth and sixth in the open class and fifth in hunter.

ARCHERY

Dave Darbro-Saturdays stink and Sundays are mediocre. Averaging four kids on Friday Nights.

SHOTGUN RANGE:

Bob Von Cloedt- everything's ok. We are holding our own. Saturdays have been slow. Sundays have been better. The skeet field is down. Bob will check on it. Central Falcons are not coming back. The agreement is unacceptable due to the coaching staff.

BLACK POWDER:

Dan Christensen- Things are pretty good. Turned in about \$350. for a weekend. The Number of nonmembers is increasing. This past Sunday was good.

COWBOY

George Broecker- Everything is going good. We had a NCOW match on October 2 and a SASS match on October 8 and 9. We turned in \$710. We have one more shoot in November.

CORRESPONDENCE:

none

OLD BUSINESS:

There is nothing to report on the property in the back.

The boy scouts are only allowed to shoot 22 bolt action. They must be accompanied by their instructors and safety officers. When qualifying for merit badges they must wear their uniforms.

Burris will give us an account. Dave Darbro will take care of this.

The skidsteer is in the shop with a flat tire and lug repairs. It was suggested that we fill the tires with green slime to stop the flat tire problem we keep having. It will cost about \$25.00 a tire. the board approved the process. Dave Darbro will take care of this.

The foam insulation at the pistol and rifle range is finished. Already seems to be making a difference. Dan Christensen will be installing the new furnace. Natural gas is not coming past the club as we thought. Stan Raciak has asked Ellyn Hill to look into the costs of possibly installing it.

NEW BUSINESS-

The main clubhouse needs a new roof. We are looking for 3 bids. We are considering both architectural and steel shingles.

A request by Karen Hartmann to purchase virus protection for the new laptop was approved By the board.

A motion to adjourn was made by Denny Hartmann and 2nd by Dan Lutka. Motion carried. The meeting was adjourned at 7:40..

Respectfully submitted by
