2026 Action Pistol / Action Steel Shoots

Competitive Shooting = Great practice with your Firearm!

If you would like to learn how to shoot in competition, please join us for an exciting **2026** Action Pistol season. We draw a wide range of competitors, from beginners to seasoned veterans and everyone has a good time. Our matches begin at **6:00 PM** at the CCKC Rifle Range. **NOTE: Registration will close at 6:15PM for safety reasons – you must attend the walkthrough to shoot.** Each match is an individual competition so join us for whichever match date you can make. The only person you are competing against is yourself. The match fees are **\$15** for CCKC members and **\$20** for non-members. We run about 4 stages a night and all matches are on **WEDNESDAY EVENINGS**. We ask competitors to please help reset the stages to help move the match along.

2026 - Action Pistol dates are: April 29: May 20: June 3, 24: July 8, 22: Aug. 5: Sept. 9, 23.
The Halloween shoot is Oct 21.

The Action Pistol matches are an introduction to the sport of USPSA competitive shooting. We follow safe gun handling principles to help you improve your handgun skills. You will shoot timed match scenarios that require you to move and engage a wide range of reactive and static targets. Most participants shoot stock factory semi-auto handguns or pistol caliber rifle. Please bring a **small firearm case**, belt holster, four magazines, and a minimum of 100 rounds of ammunition (no magnum loads). *From May through September the first match of the month will be .22LR neutral – meaning you can break out your .22 pistol or rifle and shoot the entire match.*

2026 - Action Steel dates are: April 1, 15: October 7.

These matches challenge you to knock down steel targets. You can shoot this match with a handgun, a shotgun, a pistol caliber rifle or a combination thereof. Bring a minimum of 50 shot shells (#6 LEAD shot or smaller) and/or a minimum of 100 rounds of pistol ammunition (no magnum loads) with you. See how well you can engage these steel targets!

2026 - 22LR Mega Match dates are: May 6: August 19.

Again this year we are holding two high round count matches that are **22LR ONLY**. Use your 22 rifle and/or 22 pistol to shoot as many steel targets as possible within a set time. Make sure your 22 firearm is clean and functions properly! Bring a minimum of 200 rounds of 22LR and blast away!

SAFETY- Our number one priority

We run a COLD RANGE – meaning that all firearms must remain cased until the shooter is called to the start line. This procedure keeps everyone safely behind the line of fire. Eye and ear protection is mandatory for competitors and spectators alike. We welcome junior shooters (12 -18 years of age) who must be accompanied by a parent and have the experience, knowledge, and attitude necessary to safely handle a firearm. **PLEASE NOTE: only uncase your firearms at the start line when directed to do so by the Range Officer – otherwise you will incur a safety disqualification and we don't want that to happen!**

Weather Cancellations:

All our Action Pistol matches are held outdoors, so remember to bring bug spray, sunscreen, water etc. as necessary. We will shoot rain or shine, however if there is a **prolonged lightning storm** the match will be cancelled. For match updates, text Paul Coleman at (847-732-2472). Please join us and bring a friend!
